- 

## Project Plan and Unit Plan Course Website Publishing Consent Form:

The culminating activity of EDCP 331 is the production of a Social Studies project plan. We would like to make these available for future students, practicing teachers, and other faculty. It is a way of contributing to your chosen profession.

You are **not** obligated to comply with this request and will in no way be disadvantaged in EDCP 331 should you decide to decline.

If you provide your consent, your plan will be published for a maximum of 3 years and will then be removed. You may also withdraw your consent at any time and your work will be removed from the website as soon as reasonably possible.

You also will retain the copyright for posted materials. Please read *carefully* and fill out the following.

I, \_\_\_\_\_, have read the above and hereby:  
(please print full, legal name)

- consent to have my work published on the Social Studies website *anonymously*. (Please remove all identifiers)
- decline consent to have my work published on the Social Studies website.
